Organizational conflict of interest means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the owner, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage.

Proposers are advised that in accordance with TxDOT’s conflicts of interest Rules (43 Texas Administrative Code § 27.8), certain firms will not be allowed to participate on any Proposer’s team for the Project because of their work with TxDOT in connection with the Project procurement and document preparation and the CDA program.

**1. Disclosure Pursuant to Section 636.116(2)(v) and Rule 27.8**

In the space provided below, and on supplemental sheets as necessary, identify all relevant facts relating to past, present, or planned interest(s) of the Proposer’s team (including the Proposer, Developer, the Major Participants, proposed consultants and proposed subcontractors, and their respective chief executives, directors, and key project personnel) which may result, or could be viewed as, an organizational conflict of interest in connection with this RFP.

Proposer shall disclose (a) any current contractual relationships with TxDOT, (b) any past, present, or planned contractual or employment relationships with any TxDOT member, officer, or employee; and (c) any other circumstances that might be considered to create a financial interest in the contract by any TxDOT member, officer, or employee if Proposer is awarded the contract. **PROPOSAL BOND—Form L-1**

Bond No. \_\_\_\_\_

**KNOW ALL PERSONS BY THESE PRESENTS**, that the \_\_\_\_\_ *[NOTE: insert name of Proposer as the Principal and delete this bracketed text]*, as Principal and \_\_\_\_\_, as Surety or as Co-Sureties, each a corporation duly organized under the laws of the State indicated on the attached page, having its principal place of business at the address listed on the attached page, in the State indicated on the attached page, and authorized as a surety in the State of Texas, are hereby jointly and severally held and firmly bound unto the Texas Department of Transportation (“TxDOT”), in the sum of \$\_\_\_\_\_. *[NOTE: insert amount of \$35 million if Proposer includes committed debt instruments in accordance with ITP Exhibit C Section 3.2.1 or \$50 million if Proposer includes uncommitted debt instruments in accordance with ITP Exhibit C Section 3.2.2 if a single bond is provided; multiple bonds in lesser amounts may be provided if the sum equals \$35 or \$50 million, as applicable, and delete this bracketed text]* (the “Bonded Sum”).

**WHEREAS**, the Principal is herewith submitting its Proposal for furnishing the development, design and construction of the North Tarrant Express Project, which Proposal is incorporated herein by this reference and has been submitted pursuant to TxDOT’s Request for Proposals dated as of \_\_\_\_\_, 2008 (as amended or supplemented, the “RFP”), in accordance with the Instructions to Proposers thereto (“ITP”) included in the RFP, to develop, design, construct, finance, operate and maintain the North Tarrant Express Project through Comprehensive Development Agreements (the “CDAs”);

**NOW, THEREFORE,**

1. The condition of this bond is such that, upon occurrence of any of the following events, then this obligation shall be null and void; otherwise it shall remain in full force and effect:

(a) TxDOT provides written notice to the Principal and Surety or Principal and Sureties listed on the attached page (the “Co-Sureties”) that either (i) no CDA for the Project will be awarded by TxDOT pursuant to the RFP, or (ii) TxDOT does not intend to award the CDAs to the Principal (which shall be presumed to be the case if final award of the CDAs is made to another Proposer);

(b) Principal performs its obligations to achieve commercial close by the deadline set forth in the ITP and achieve Financial Close by the deadline set forth in ITP Section 1.5.3 as such deadline may be extended in accordance with the ITP or by mutual agreement of the parties;

(c) Performance is otherwise excused under the ITP; or

(d) If TxDOT has not previously delivered notice of forfeiture hereunder, failure of TxDOT to conditionally award the CDAs to Principal within 180 days after the Proposal Due Date.

2. The Principal and the Surety or Co-Sureties hereby agree to pay to TxDOT the full Bonded Sum hereinabove set forth, as liquidated damages and not as a penalty, within ten days after occurrence of any of the following events:

(a) Principal (i) withdraws any part or all of its Proposal (including withdrawing, repudiating or otherwise indicating in writing that it will not meet any commitment made in its Proposal) prior to 180 days following the Proposal Due Date except as specifically permitted under the ITP, or (ii) fails to increase the Proposal Security in accordance with ITP Exhibit B, Section 3.3; or

(b) If conditional award is made to Principal, Principal withdraws any part or all of its Proposal (including withdrawing, repudiating or otherwise indicating in writing that it will not meet any commitment made in its Proposal) prior to receipt of notification from TxDOT either that final award has been achieved with another Proposer, or (ii) that TxDOT does not intend to award the CDAs to Principal; or

(c) Following delivery of execution documents to Principal by TxDOT, Principal fails to achieve commercial close by the deadline specified in the ITP unless such failure to achieve commercial close is excused in accordance with ITP Section 4.7.2; or

(d) Following delivery of execution documents to Principal by TxDOT, Principal fails to either (i) achieve Financial Close by the deadline specified in the ITP, or (ii) exercise its option to extend the deadline for Financial Close in accordance with the requirements set forth in ITP Section 5.12.6; unless such failure to achieve Financial Close is excused in accordance with ITP Section 4.7.3.

Principal agrees and acknowledges that such liquidated damages are reasonable in order to compensate TxDOT for damages it will incur as a result of Principal's failure to satisfy the obligations under the RFP to which Principal agreed when submitting its Proposal. Such damages include potential harm to the credibility and reputation of TxDOT's transportation improvement program, including the CDA program, with policy makers and with the general public, delays to the Project and additional costs of administering this or a new procurement (including engineering, legal, accounting, overhead and other administrative costs). Principal further acknowledges that these damages would be difficult and impracticable to measure and prove, are incapable of accurate measurement because of, among other things, the unique nature of the Project and the efforts required to receive and evaluate proposals for it, and the unavailability of a substitute for those efforts. The amounts of liquidated damages stated herein represent good faith estimates and evaluations as to the actual potential damages that TxDOT would incur as a result of Principal's failure to satisfy the obligations under the RFP to which Principal agreed when submitting its Proposal, and do not constitute a penalty. Principal agrees to such liquidated damages in order to fix

and limit Principal's costs and to avoid later Disputes over what amounts of damages are properly chargeable to Principal.

3. The following terms and conditions shall apply with respect to this bond:

(a) This Proposal Bond shall not be subject to forfeiture in the event that TxDOT disqualifies the Proposal based on a determination that it is non-responsive or non-compliant.

(b) If suit is brought on this bond by TxDOT and judgment is recovered, Principal and Surety or Co-Sureties shall pay all costs incurred by TxDOT in bringing such suit, including, without limitation, reasonable attorneys' fees and costs as determined by the court.

(c) Any extension(s) of the time for award of the CDAs that Principal may grant in accordance with the CDAs or otherwise, shall be subject to the reasonable approval of Surety or Co-Sureties.

(d) The Co-Sureties agree to empower a single representative with authority to act on behalf of all of the Co-Sureties with respect to this Bond, so that Obligees will have no obligation to deal with multiple sureties hereunder. All correspondence from Obligees to the Co-Sureties and all claims under this Bond shall be sent to such designated representative. The Co-Sureties also agree to designate a single agent for service of process with respect to any actions on this Bond, which agent shall either be (a) a natural person or (b) a corporation qualified to act as an agent for service of process under Corporations Code Section 1505. The designated representative and agent for service of process may be changed only by delivery of written notice (by personal delivery or by certified mail, return receipt requested) to Obligees designating a single new representative and/or agent, signed by all of the Co-Sureties. **ESCROW AGREEMENT—Form M**  
(NORTH TARRANT EXPRESS)

**THIS ESCROW AGREEMENT** (this “**Agreement**”) is made and entered into as of this \_\_\_\_\_, 2008, by and between \_\_\_\_\_, a \_\_\_\_\_ (“**Proposer**”), and \_\_\_\_\_ (“**Escrow Agent**”), to and for the benefit of the Texas Department of Transportation (“**TxDOT**”), an agency of the State of Texas, with reference to the following facts:

A. TxDOT has issued a Request for Proposals dated \_March 3, 2008, as amended (the “**RFP**”) for the North Tarrant Express (the “**Project**”). Initially capitalized terms not defined herein shall have the meanings set forth in the RFP.

B. Proposer wishes to submit to TxDOT a proposal (the “**Proposal**”) in response to the RFP.

C. In accordance with Section 4.4.4 of the Instructions to Proposers (“**ITP**”), Proposer is depositing certain materials relating to its Proposal, including portions of its Proposal (the “**Escrowed Materials**”) with the Escrow Agent to be held in a secure location and available for review by TxDOT as specified herein.

D. Proposer wishes to employ the services of Escrow Agent to act as the escrow holder with regard to the Escrowed Materials for the limited purposes set forth below, and Escrow Agent has agreed to serve as such escrow holder under the terms and conditions provided in this Agreement.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Proposer hereby irrevocably provides the following escrow instructions to Escrow Agent. These Escrow Instructions, although provided unilaterally, are specifically for the benefit of TxDOT as an intended third party beneficiary and may not be revised, supplemented, waived or withdrawn without the prior written consent of TxDOT’s authorized representative.

1. Designation of Authorized Representatives. Any initial authorized representatives of Proposer shall be identified in writing by use of the Certificate of Authorized Proposer Representative, attached hereto as Exhibit A-1. From time to time Proposer may designate alternative or additional authorized representatives by submitting a new Certificate of Authorized Proposer Representative to the Escrow Agent and TxDOT. Any initial authorized representatives of TxDOT shall be identified in writing by use of the Certificate of Authorized TxDOT Representative in the form attached hereto as Exhibit A-2. TxDOT may from time to time designate alternative or additional authorized representatives upon submission to the Escrow Agent and to Proposer a new certificate of Authorized TxDOT Representative.

2. Deposit. Proposer hereby deposits with Escrow Agent the Escrowed Materials, consisting of \_\_\_\_\_ separately sealed boxes labeled \_\_\_\_\_. The Proposer will also complete and deliver to the Escrow Agent the Receipt of Initial Intellectual Property for Escrow Deposit, attached hereto as Exhibit B.

At the time of deposit, the Escrow Agent and Proposer shall verify the boxes and acknowledge that verification by execution of Exhibit B. Proposer may from time to time deposit additional property to be held as Escrowed Materials, provided such additional property is identified in writing in a form substantially similar to that attached hereto as Exhibit C. Escrow Agent agrees to hold the Escrowed Materials in safekeeping under the terms and conditions of this Agreement.

3. Manner of Holding of Escrowed Materials.

(a) Escrow Agent shall hold the Escrowed Materials in a designated area on the premises of Escrow Agent located at 8310 Capital of Texas Highway North, Suite 490, Austin, Texas 78731, or such other address within a ten-mile radius of 125 East 11<sup>th</sup> Street, in the City of Austin, Texas as is specified to TxDOT and the Proposer in writing not later than fifteen (15) days prior to the time such Escrowed Materials are to be relocated to such new location. The Escrowed Materials shall be stored in an area that is locked at all times.

(b) During the term hereof, Escrow Agent shall allow access to the Escrowed Materials only to such agents, attorneys or employees of TxDOT or designated third parties identified by TxDOT's authorized representative in writing in a Project Specific Authorized Personnel list (a "Permission List") attached hereto as Exhibit D as the same may be amended from time to time (the term "TxDOT" as used in this Agreement is inclusive of all agents, attorneys or employees of TxDOT and designated third parties designated in the Permission List as authorized personnel. Except as set forth in the preceding sentence, the authorized representative of TxDOT may not permit any third party to review the Escrowed Materials. Such authorized access shall include the ready ability of TxDOT to temporarily place and operate computerized programs, applications, data and electronic files that are included in the Escrowed Materials on a stand-alone secure personal computer. Any person that is granted access to the Escrowed Materials pursuant to the terms hereof is referred to as a "Reviewer."

(c) During the first seven days following receipt of the Escrowed Materials, the Escrow Agent shall allow TxDOT access to the escrow site weekdays from 8:00 a.m. to 8:00 p.m. and from 10:00 a.m. to 3:00 p.m. on the first weekend. Thereafter, TxDOT shall provide notice to Escrow Agent at least one business day in advance of its planned review of Escrowed Materials during the Escrow Agent's normal business hours of 8:00 a.m. – 5:00 p.m., Austin, Texas time, Monday through Friday, or on a weekday night and at least two business days in advance of its planned review of Escrowed Materials on a weekend. During the term hereof, Escrow Agent shall provide reasonable access for TxDOT reviews beyond Escrow Agent's regular business hours. Access to the Escrowed Materials shall be subject to compliance with the procedures of the Escrow Agent described herein, which are designed to maintain proper control over access to the Escrow Agent's office and any confidential or proprietary information of the Escrow Agent or its clients. In particular, the Escrow Agent will require that at least one employee of the Escrow Agent shall be present at all times that Escrowed Materials are being reviewed on its premises.

(d) Notwithstanding the preceding sentence, neither the Escrow Agent nor its duly authorized agents shall in any way have the duty to monitor the activity of the Reviewers. Proposer agrees and acknowledges that Escrow Agent is providing a storage facility that is restricted to the Escrow Agent's employees and duly authorized agents, that the Escrowed Materials will be further secured in a locked storage area, and that the Escrow Agent will verify that each person seeking access to the Escrowed Materials has been identified in the Permission List by requiring the person seeking access to the Escrowed Materials to produce a current driver's license bearing that individual's image.

(e) Proposer further agrees that the Escrow Agent shall not be required to ensure that any person granted access to the Escrowed Materials in accordance with the procedure provided in this section (i) commits no unlawful act in relation to the Escrowed Materials, (ii) willfully, recklessly or negligently removes Escrowed Materials from the premises, or otherwise uses such materials inappropriately or inconsistent with the intents of Proposer or the confidentiality agreement described below; or (iii) willfully, recklessly or negligently damages or destroys any part of the Escrowed Materials. Escrow Agent shall not undertake to examine the person, clothing or personal effects of any Reviewer to determine whether such person is removing any part of the Escrowed Materials from the Escrow Agent. In addition, Reviewers will be required to sign-in and sign-out when reviewing Escrowed Materials. Finally, the Reviewers will be required to agree to maintain the confidentiality of the Escrowed Materials, and any proprietary or confidential information of the Escrow Agent or its clients upon signing in to review the Escrowed Materials.

(f) No access shall be given to any representative of Proposer unless TxDOT agrees to such access in writing. No third party, including the employees of Escrow Agent, shall be allowed access to the Escrowed Materials, although this shall not preclude employees of Escrow Agent from having access to the locked area for other purposes. Notwithstanding the foregoing, Escrow Agent or its duly authorized agents shall have the right to examine the external surface of the Escrowed Materials in order to perform audits. For purposes of the preceding sentence, any audit of the Escrowed Materials shall be limited to an examination of the alpha-numeric sequence numbers recorded on the outside container, binding or envelope in which the Escrowed Materials are stored. Accordingly, Escrow Agent's examination may determine whether the contents of such container, binding or envelope have been removed, disturbed, damaged or destroyed. The Escrow Agent shall have no duty to supply any computers, printers or other devices necessary to access, review or verify the Escrowed Materials.

(g) In no event shall TxDOT, the Proposer or any person or entity selected or appointed by them have the right to access, connect to or otherwise use any computer or other network of the Escrow Agent, other than to have access to electricity. Reviewers will not have access to Escrow Agent's wireless computer networks and will agree to not attempt to gain access. Escrow Agent shall not be responsible for Reviewers' use of cell phones or other wireless devices to communicate any portion of the data or information contained in the Escrowed Materials, whether from the premises of Escrow Agent or otherwise. Further, Escrow Agent shall not be responsible for the use of any computer by the Reviewers or for the use of any

Escrowed Materials (or portions thereof), information or data that may be retained on a computer hard drive or other memory device. Any responsibility for the “wiping” of hard drives or other equipment shall be that of TxDOT.

(h) Any additional material used by TxDOT while conducting reviews of the Escrowed Materials (collectively, “Additional Materials”) shall be added to the deposit made hereunder and treated in the same manner by the escrow agent as those materials deposited by the Proposer, provided such Additional Materials are identified in writing in a form substantially similar to that attached hereto as Exhibit E. These Additional Materials could include, but are not limited to, computers, printers, workpapers, thumb-drives, CD-ROMs or hand-written notes.

4. Release of Escrowed Materials; Delivery of Intellectual Property Escrow Agreement.

(a) Escrow Agent shall release the Escrowed Materials deposited hereunder only upon receipt by Escrow Agent of (i) a certificate signed by TxDOT’s authorized representative, certifying that TxDOT has determined not to enter into a contract with Proposer and has executed a Comprehensive Development Agreement (“**CDA**”) with another party, in which event the Escrowed Materials shall be released as directed by Proposer; (ii) a certificate signed by TxDOT’s authorized representative, certifying that TxDOT has decided to terminate the procurement, in which event the Escrowed Materials shall be released as directed by Proposer; (iii) joint instructions from the authorized representatives of Proposer and TxDOT directing release of the Escrowed Materials, in which event the Escrowed Materials shall be released as provided therein; or (iv) written instructions from TxDOT’s authorized representative, without any further required action or consent by Proposer, directing release of the Escrowed Materials to the Office of the Attorney General, in which event the Escrowed Materials shall be released to the Attorney General by Escrow Agent as directed by TxDOT. Evidence of such release shall be made via delivery of the Release of Intellectual Property from Escrow – Exhibit F, executed and acknowledged by the Escrow Agent and the Depositor. Any Additional Materials deposited by TxDOT shall be released to TxDOT or the Office of the Attorney General in the same manner, with a copy of Exhibit F to be provided to the Proposer.

(b) If TxDOT and the Proposer enter into a CDA, the Proposer and an escrow agent, which may be the Escrow Agent, shall hold the Escrowed Materials in escrow pursuant to the terms and conditions set forth in one or more Intellectual Property Escrow Agreements to be executed by the Proposer and such escrow agent. In the event the escrow agent under the Intellectual Property Escrow Agreement(s) is not the Escrow Agent, the Escrowed Materials shall be released and transferred to the new escrow and escrow agent under the Intellectual Property Escrow Agreement(s) upon the joint written instructions of TxDOT and the Proposer. For purposes of the preceding sentence, Escrow Agent shall use such methods of transfer as shall be directed in writing by TxDOT and the Proposer, provided any costs associated with such transfer shall have been provided for by Proposer, and Escrow Agent has received any satisfactory indemnification it might require in relation to such transfer.

5. Rights of Escrow Agent. If conflicting demands are made or notices serviced upon Escrow Agent with respect to this escrow, including but not limited to demands or notices related to an open records request or a Freedom of Information Act request, the parties hereto expressly agree that Escrow Agent shall have the absolute right at its election to do any of the following at the expense (including fees and expenses of attorneys for Escrow Agent) of the Proposer:

(a) withhold and stop all further proceedings in, and performance of this escrow;

(b) file a suit in interpleader and obtain an order from the court requiring the parties to interplead and litigate in such court their several claims and rights amongst themselves; or

Re: Comprehensive Development Agreements (“CDAs”) for North Tarrant Express dated as of \_\_\_\_\_, 2008, by and between Texas Department of Transportation, and \_\_\_\_\_ (the “Developer”)

Gentlemen:

[Describe relationship to Developer and its joint venture members, general partners, members, as applicable, and any other entities whose approval is required in order to authorize delivery of the proposal and execution of the CDAs.] This letter is provided to you pursuant to Section 6.1.1(b) of the Instructions to Proposers of that certain Request for Proposals issued by the Texas Department of Transportation (“TxDOT”) on March 3, 2008, as amended.

In giving this opinion, we have examined \_\_\_\_\_. We have also considered such questions of law and we have examined such documents and instruments and certificates of public officials and individuals who participated in the procurement process as we have deemed necessary or advisable. [if certificate used/obtained from Developer or Guarantor, such certificate should also run in favor of TxDOT and should be attached to opinion]

In giving this opinion, we have assumed that all items submitted to us or reviewed by us are genuine, accurate and complete, and if not originals, are true and correct copies of originals, and that all signatures on such items are genuine.

Subject to the foregoing, we are of the opinion that:

1. [opinion regarding organization/formation and existence of Developer and that Developer has corporate power to own its properties and assets, carry on its business, make the Proposal, enter into the CDAs and to perform its obligations under the CDAs] [if Developer is a partnership/joint venture, these opinions are also required for each of its joint venture members and general partners]

2. [opinion regarding good standing and qualification to do business in State of Texas for Developer] [if Developer is a partnership/joint venture, these opinions are also required for each of its joint venture members and general partners]

3. [opinion regarding organization/formation and existence of Guarantor and that Guarantor has corporate power to own its properties and assets, to carry on its business, to enter into the Guaranty and to perform its obligations under the Guaranty] [if Guarantor is a partnership/joint venture, these opinions are also required for each of its joint venture members and general partners] [if there is no Guaranty, this opinion may be omitted]

4. [opinion that Proposal and CDAs have been duly authorized by all necessary corporate action on the part of Developer and the Proposal and CDAs have been duly executed and delivered by Developer] [if Developer is a partnership/joint venture, add: and its joint venture members/general partners after the first and second “Developer”]

5. [opinion that Guaranty has been duly authorized by all necessary corporate action on the part of Guarantor and the Guaranty has been duly executed and delivered by Guarantor] [if Guarantor is a partnership/joint venture, add: and its joint venture members/general partners after the first and second “Guarantor”] [if there is no Guaranty, this opinion may be omitted]

6. [opinion that the CDAs constitute a legal, valid and binding obligation of Developer enforceable against Developer in accordance with its terms] [if Developer is a partnership/joint venture, add: and its joint venture members/general partners after the second “Developer”]

7. [opinion that the Guaranty constitutes a legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms; [if Guarantor is a partnership/joint venture, add: and its joint venture members/general partners after the second “Guarantor”] [if there is no Guaranty, this opinion may be omitted]

8. [opinion that all required approvals have been obtained with respect to execution, delivery and performance of the Proposal and the CDAs; and that neither the Proposal nor the CDAs conflict with any agreements to which Developer is a party [if Developer is a partnership/joint venture, add: and its joint venture members/general partners are a party] or with any orders, judgments or decrees by which Developer is bound [if Developer is a partnership/joint venture, add: and its joint venture members/general partners are bound]]

9. [opinion that all required approvals have been obtained with respect to execution, delivery and performance of the Guaranty; and that the Guaranty does not conflict with any agreements to which Guarantor is a party [if Guarantor is a partnership/joint venture, add: and its joint venture members/general partners are a party] or with any orders, judgments or decrees by which Guarantor is bound] [if Guarantor is a partnership/joint venture, add: and its joint venture members/general partners are bound] [if there is no Guaranty, this opinion may be omitted]

10. **DETAILED COSTING FORM – CONCESSION CDA – Form P**

**[To Be Provided]**

## INTELLECTUAL PROPERTY ESCROW AGREEMENT—Form Q

(TXDOT NORTH TARRANT EXPRESS)

**THIS INTELLECTUAL PROPERTY ESCROW AGREEMENT** (this “**Agreement**”) is made and entered into as of this \_\_\_\_\_, 2008, by and between \_\_\_\_\_, a \_\_\_\_\_ (“**Developer**”), and \_\_\_\_\_ (“**Escrow Agent**”), to and for the benefit of the Texas Department of Transportation (“**TxDOT**”), an agency of the State of Texas, with reference to the following facts:

A. TxDOT and Developer have entered into a Concession Comprehensive Development Agreement (“**Concession CDA**”) for development, design, construction, finance, operation and maintenance of the North Tarrant Express (the “**Project**”). Pursuant to the Concession CDA, Developer and/or other Depositors (as defined below) have granted to TxDOT a license or licenses to use the Escrowed Materials (as defined below.) Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the Concession CDA.

B. Developer wishes to employ the services of Escrow Agent to act as the escrow holder with regard to certain materials that are or may be proprietary to Developer or its Contractors (the “**Escrowed Materials**”) for the limited purposes set forth below, and Escrow Agent has agreed to serve as such escrow holder, under the terms and conditions provided in this Agreement. Escrowed Materials may include Cost and Pricing Data, certain Intellectual Property and Source Code, as set forth in Section 22.5 of the Concession CDA.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Developer hereby irrevocably provides the following escrow instructions to Escrow Agent. These Escrow Instructions, although provided unilaterally, are specifically for the benefit of TxDOT as an intended third party beneficiary and may not be revised, supplemented, waived or withdrawn without the prior written consent of TxDOT’s authorized representative.

1. Designation of Authorized Representatives. Developer hereby designates \_\_\_\_\_ as its authorized representative. TxDOT may designate an authorized representative by written notice to Developer and Escrow Agent and change its authorized representative at any time by providing written notice to Developer and Escrow Agent. Developer may change its authorized representative at any time by providing written notice to TxDOT and Escrow Agent.

2. Deposits.

(a) “**Depositor**” means each person or entity, including Developer and its Contractors, that deposits with Escrow Agent any Escrowed Materials to be held by Escrow Agent pursuant to this Agreement. Where Developer makes a

deposit of Escrowed Materials on behalf of any Contractor, the Contractor is deemed the “Depositor”.

(b) Developer hereby deposits with Escrow Agent the Escrowed Materials listed as Exhibit A.

(c) In accordance with Section 22.5 of the Concession CDA, Developer may from time to time deliver additional materials to be held hereunder together with an acknowledgment signed by the Depositor in the form included in Exhibit A attached hereto that such materials are subject to the terms and provisions of this Agreement and that such Depositor grants to TxDOT the rights in such additional materials provided pursuant to this Agreement, in which event a list identifying the Depositor, date of deposit, and all materials added shall be appended to this Agreement and incorporated herein.

(d) Escrow Agent shall notify TxDOT immediately upon its receipt of any such additional materials and shall verify that TxDOT has received a copy of the list of items delivered.

(e) Escrow Agent hereby acknowledges receipt of the Escrowed Materials, agrees to accept supplemental materials as specified herein, and agrees to hold the Escrowed Materials in safekeeping under the terms and conditions of this Agreement.

### 3. Manner of Holding of Escrowed Materials.

(a) Escrow Agent shall hold the Escrowed Materials in a designated area on the premises of Escrow Agent located at \_\_\_\_\_, Austin, Texas, or such other address Austin, Texas, as is specified to TxDOT and Developer in writing not later than fifteen (15) days prior to the time such Escrowed Materials are to be relocated to such new location or to such other address in the State of Texas as is agreed to in writing by TxDOT and Developer. The Escrowed Materials shall be stored in a secure area that is locked at all times. The Escrowed Materials shall either be held in a fire safe area on the premises or shall be kept in firesafe boxes or cabinets supplied by Developer.

(b) During the term hereof, Escrow Agent shall allow access to the Escrowed Materials only to those individuals identified by TxDOT’s authorized representative as having need for access. Such access shall include the ready ability of TxDOT to temporarily install and run computerized programs, applications, data and electronic files that are included in the Escrowed Materials on a stand-alone secure personal computer. TxDOT shall provide notice to Escrow Agent at least one business day in advance of its planned review. All reviews shall be conducted during Escrow Agent’s business hours. In the event that TxDOT needs to conduct a review of Escrowed Materials at a time other than the Escrow Agent’s normal business hours of 8:00 a.m. – 5:00 p.m., Austin, Texas time, Monday through Friday, TxDOT agrees that access to the Escrowed Materials shall be subject to compliance with the procedures of the Escrow Agent described herein, which are designed to ensure proper preparation

though advance notice, and to maintain proper control over access to the Escrow Agent's office and any confidential or proprietary information of the Escrow Agent or its customers. In particular, the Escrow Agent will require that two employees of the Escrow Agent (one of which will be an officer) shall be present at all times that Escrowed Materials are being reviewed on its premises. In addition, reviewers will be required to sign-in and sign-out when reviewing Escrowed Materials. Finally, the reviewers will be required to agree to maintain the confidentiality of any proprietary or confidential information of the Escrow Agent or its customers upon signing in to review the Escrowed Materials. No access shall be given to any representative of Developer unless TxDOT agrees to such access in writing. No third party, including the employees of Escrow Agent, shall be allowed access to the Escrowed Materials, although this shall not preclude employees of Escrow Agent from having access to the locked area for other purposes. The Escrow Agent shall have no duty to supply any computers, printers or other devices necessary to review or verify the Escrowed Materials. In no event shall TxDOT, Developer, a Depositor or any person or entity selected or appointed by them have the right to access, connect to or otherwise use any computer or other network of the Escrow Agent, other than to have access to electricity.

(c) Escrow Agent shall have the obligation to reasonably protect the safety and security of the Escrowed Materials. Each submitting party is advised to contact its own legal counsel concerning the effect of applicable laws to the submitting party's own circumstances.

(d) In the event of any proceeding or litigation concerning the disclosure of any Escrowed Materials, Escrow Agent shall immediately notify Developer and TxDOT. In such event, the Escrow Agent will be a stakeholder retaining the material until otherwise ordered by a court or such other authority having jurisdiction with respect thereto. Developer shall be responsible for otherwise prosecuting or defending any action concerning the materials at its sole expense. Except as provided in this Agreement, Escrow Agent shall not disclose, transfer, make available or use the Escrowed Materials. Subject to the provisions of this Section 3(d), Escrow Agent shall not disclose the content of this Agreement to any third party other than Depositors. If Escrow Agent receives a subpoena or any other order from a court or other judicial tribunal pertaining to the disclosure or release of the Escrowed Materials, Escrow Agent shall immediately notify Developer and TxDOT unless prohibited by law. It shall be the responsibility of Developer to challenge any such order; provided, however, that Escrow Agent does not waive its rights to present its position with respect to any such order. Escrow Agent shall not be required to disobey any order from a court or other judicial tribunal.

#### 4. Deposits of Source Code as Escrowed Materials.

(a) Prior to each delivery of Source Code to Escrow Agent, Depositor shall conspicuously label for identification each document, magnetic tape, disk, or other tangible media upon which the Source Code are written or stored. Additionally, with each delivery Depositor shall complete a modified Exhibit A by listing each such tangible media by the item label description, the type of media and the

quantity, and the identity of the owner of the Source Code (whether Depositor or a software supplier). Depositor shall sign each modified Exhibit A and deliver it to Escrow Agent with the Source Code. Such signature shall constitute Depositor's representation and warranty that Exhibit A is true, accurate and complete. Unless and until Depositor makes the initial deposit with Escrow Agent, Escrow Agent shall have no obligation with respect to this Agreement, except the obligation to notify Developer and TxDOT regarding the status of the account as required in Section 4(c) below.

(b) Within three business days after Escrow Agent receives Source Code and a modified Exhibit A, Escrow Agent shall conduct a deposit inspection by visually matching the labeling of the tangible media containing the Source Code to the item descriptions and quantity listed on the modified Exhibit A. In addition to the deposit inspection, TxDOT may elect to cause a verification of the Source Code in accordance with Section 6 below.

(c) Immediately upon completion of each deposit inspection, if Escrow Agent determines that the labeling of the tangible media matches the item descriptions and quantity on the modified Exhibit A, Escrow Agent shall date and sign the modified Exhibit A and mail a copy thereof to Depositor and TxDOT. Immediately upon completion of each deposit inspection, if Escrow Agent determines that the labeling does not match the item descriptions or quantity on the modified Exhibit A, Escrow Agent shall (a) note the discrepancies in writing on the modified Exhibit A; (b) date and sign the modified Exhibit A with the exceptions noted; and (c) mail a copy of the modified Exhibit A to Depositor and TxDOT. Escrow Agent's acceptance of the deposit occurs upon the signing of the modified Exhibit A by Escrow Agent. Delivery of the signed modified Exhibit A to TxDOT is TxDOT's notice that the Source Code have been received and accepted by Escrow Agent.

5. Representations. Developer [and any other Depositor] by depositing any materials pursuant to this Agreement represents and warrants to and for the benefit of TxDOT as follows:

(a) Developer or the other Depositors lawfully possess all of the Escrowed Materials deposited with Escrow Agent;

(b) With respect to all of the Escrowed Materials, Developer has the right and authority to grant to Escrow Agent and TxDOT the rights as provided in this Agreement and Developer [and each other Depositor] hereby grants such rights to TxDOT

(c) The Escrowed Materials are not subject to any lien or other encumbrance that entitles the holder of the lien or encumbrance to terminate this Agreement, withdraw the Escrowed Materials, or prevent or hinder TxDOT's access to the Escrowed Materials or receipt thereof following a Release Condition;

(d) The Escrowed Materials are Proprietary Intellectual Property and constitute Intellectual Property for purposes of 11 U.S.C. § 365(n) and TxDOT's

rights pursuant to this Agreement constitute the rights of a licensee pursuant to 11 U.S.C. § 365(n); and

(e) The Escrowed Materials are readable and useable in their current form or, if any portion of the Escrowed Material is encrypted, the decryption tools and decryption keys have also been deposited.

6. Verification. TxDOT shall have the right, without cost to Developer or the Escrow Agent, to cause a verification of any Escrowed Materials. TxDOT shall notify Developer and Escrow Agent of TxDOT's request for verification. Developer shall be solely responsible for notifying the Depositor of the subject Escrowed Materials of TxDOT's request for verification. Developer shall have the right to be present at the verification, and may delegate in writing such right to the Depositor. A verification determines, in different levels of detail, the accuracy, completeness, sufficiency and quality of the Escrowed Materials. If a verification is elected after the Escrowed Materials have been delivered to Escrow Agent, then only TxDOT, or at TxDOT's election an independent person or company selected and supervised by TxDOT and approved by Developer, may perform the verification. Such verification shall determine the relevance, completeness, currency, accuracy and functionality of the Escrowed Materials and whether the Escrowed Materials are all the Escrowed Materials. Any verification shall take place either at Escrow Agent's location or an agreed upon location during Escrow Agent's regular business hours. If TxDOT elects to have an independent person or company perform the verification, then such entity shall adhere to the confidentiality requirements of the Concession CDA.

7. Removal of Escrowed Material. The Escrowed Material may be removed and/or exchanged only on written instructions signed by Developer, the relevant Depositor and TxDOT, or as otherwise provided in Section 8 of this Agreement.

8. Release of Escrowed Materials. Release of Escrowed Materials is subject to the terms and conditions of this Section 8.

(a) Release Conditions - Developer. As used in this Agreement, "Release Condition" shall mean with respect to Developer and the deposits it makes under this Agreement on its own behalf (but not on behalf of other Depositors) any of the following:

(ii) A custodian, trustee or receiver is appointed for Developer or any substantial part of its assets;

(iii) Developer makes or attempts to make an assignment for the benefit of creditors;

(iv) Developer generally fails to pay its debts when they are due or admits of its inability to pay its debts;

(v) Developer fails to provide necessary and commercially feasible updates and maintenance releases for any software or other Escrowed Materials owned or developed by Developer (but not software or other Escrowed Materials owned or developed by any other Depositor);

(vii) Developer is dissolved, liquidated or otherwise ceases to do business in the ordinary course;

(viii) Developer or its successor or representative including any trustee in a bankruptcy proceeding relating to Developer rejects or elects to terminate the Concession CDA including but not limited to a rejection of the Concession CDA pursuant to 11 U.S.C. § 365, or under any state receivership, insolvency or other similar proceeding; or

(ix) Developer (as debtor in possession) or any trustee in a bankruptcy proceeding relating to the Depositor fails to assume the obligations under the Concession CDA on or prior to the deadline for assumption or rejection of executory contracts in such bankruptcy proceeding pursuant to 11 U.S.C. § 365.

(b) Release Conditions – Other Depositors. As used in this Agreement, "Release Condition" shall mean with respect to any Depositor other than Developer and the deposits made by or on behalf of such Depositor under this Agreement (but not items deposited by or on behalf of other Depositors) any of the following:

(v) The Depositor (as debtor in possession) or any trustee in a bankruptcy proceeding relating to the Depositor fails to assume the obligations under the agreement pursuant to which the Depositor has licensed the Escrowed Materials to Developer and/or TxDOT on or prior to the deadline for assumption or rejection of executory contracts in such bankruptcy proceeding pursuant to 11 U.S.C. § 365.

(c) Filing For Release. If TxDOT believes in good faith that a Release Condition has occurred with respect to any Depositor, TxDOT may provide to Escrow Agent written notice of the occurrence of the Release Condition and a request for the release of the Escrowed Material to which the Release Condition pertains. TxDOT's notice shall indicate the Depositor to which the Release Condition pertains. Immediately upon receipt of such notice, Escrow Agent shall provide a copy of the notice to Developer and to the Depositor by commercial express mail. TxDOT shall have the express right to request a release of the Escrowed Materials for the purpose of determining the amount due to Developer with respect to any Termination Compensation, pursuant to the payment terms for Termination Compensation under the Concession CDA.

(d) Contrary Instructions. Each of Developer and the Depositor shall have 14 days from the date it receives Escrow Agent's notice requesting release of the Escrowed Materials to deliver to Escrow Agent contrary instructions ("Contrary Instructions"). Contrary Instructions shall mean and be limited to the written representations and warranties, without qualification, exception or condition, by an authorized officer or authorized delegate of Developer or the Depositor, as applicable, that (i) the person signing for Developer or the Depositor is an authorized officer or authorized delegate of Developer or the Depositor and (ii) a Release Condition respecting the Depositor has not occurred or has been cured. Immediately upon receipt of Contrary Instructions within such 14-day period, Escrow Agent shall send a copy to TxDOT and Developer (if Developer has not itself delivered the Contrary Instruction) by commercial express mail. Additionally, Escrow Agent shall notify Developer, the Depositor and TxDOT that there is a dispute to be resolved. Escrow Agent shall continue to store the Escrowed Materials without release pending (A) joint instructions from the party(ies) that delivered the Contrary Instruction and TxDOT; (B) dispute resolution (pursuant to Section 17.8 of the Concession CDA if it is a dispute between TxDOT and Developer); or (C) order of a court. Contrary Instructions received after

such 14-day period shall be automatically null and void, shall have no force or effect, and shall be disregarded by Escrow Agent.

(e) Release of Deposit.

(i) If Escrow Agent does not receive Contrary Instructions within such 14-day period, Escrow Agent is authorized to, and shall, immediately release to TxDOT the Escrowed Materials to which the Release Condition pertains, as well as any Escrowed Materials that lacks identification of ownership on Exhibit A. Any copying expense will be chargeable to Developer. This Agreement shall terminate upon the release of all the Escrowed Materials held by Escrow Agent.

(ii) Escrow Agent shall promptly release to TxDOT all or any part of Escrowed Materials deposited by or on behalf of a Depositor at any time and from time to time upon receipt of written instructions signed by such Depositor authorizing the release.

(iii) Escrow Agent shall also release Escrowed Materials to TxDOT at any time as directed or ordered by the final decision in any dispute resolution proceeding pursuant to Section 17.8 of the Concession CDA. If TxDOT provides to Escrow Agent a written opinion of counsel for TxDOT to the effect that such decision is final and not appealable, Escrow Agent shall proceed with release in accordance with the final decision and may rely on such legal opinion.

9. Rights of Escrow Agent.

(a) If conflicting demands are made or notices serviced upon Escrow Agent with respect to this escrow, the parties hereto expressly agree that Escrow Agent shall have the absolute right at its election to do any of the following:

(i) withhold and stop all further proceedings in, and performance of this escrow;

(ii) file a suit in interpleader in order to obtain an order from the court requiring the parties to interplead and litigate in such court their several claims and rights amongst themselves; or

(iii) deliver all Escrowed Materials with seals intact to another location to be selected by Developer subject to TxDOT approval within 30 days after Escrow Agent delivers notice thereof to TxDOT.

(b) Escrow Agent may act in reliance upon any instruction, instrument, or signature reasonably believed by Escrow Agent to be genuine. Except with respect to a Contrary Instruction that lacks the representation set forth in Section 8(d) of this Agreement, Escrow Agent may assume that any employee of a party to this Agreement who gives any written notice, request or instruction has the

authority to do so. Escrow Agent shall not be required to inquire into the truth or evaluate the merit of any statement or representation contained in any notice or document. Escrow Agent shall not be responsible for failure to act as a result of causes beyond the reasonable control of Escrow Agent.

(c) Developer and each other Depositor agree to indemnify, defend and hold harmless Escrow Agent from any and all claims, actions, damages, arbitration fees and expenses, costs, attorney's fees and other liabilities ("Liabilities") incurred by Escrow Agent relating in any way to this escrow arrangement except to the extent such Liabilities are finally determined to have been primarily caused by the gross negligence or willful misconduct of Escrow Agent or its breach of this Agreement. The obligations of the parties set forth in this Section 9(c) shall survive the resignation or removal of the Escrow Agent or the termination of this Agreement.

#### 10. Term of Agreement.

(a) The term of this Agreement shall continue in effect unless and until this Agreement is terminated in accordance with the terms of this Section 10. This Agreement shall be terminated in the event (i) Developer and TxDOT jointly instruct Escrow Agent in writing that the Agreement is terminated; or (ii) Escrow Agent instructs Developer and TxDOT in writing that the Agreement is terminated for nonpayment in accordance with Section 10(b) or by resignation in accordance with Section 10(c).

Developer or TxDOT shall have the right to make the payment to Escrow Agent to cure the default. If the past due payment is not received in full by Escrow Agent within one month of the date of such notice, then Escrow Agent shall have the right to terminate this Agreement at any time thereafter by sending written notice of termination to Developer and TxDOT. Escrow Agent shall have no obligation to take any action under this Agreement so long as any undisputed payment due to Escrow Agent remains unpaid and delinquent, except action to hold and safeguard the Escrowed Materials and transfer or dispose of the Escrowed Materials following termination as provided in this Section 10.

(c) Escrow Agent reserves the right to terminate this Agreement, for any reason, by providing Developer and TxDOT with 90-days' written notice of its intent to terminate this Agreement. Within the 90-day period, Developer shall use diligent efforts to enter into a substantially similar agreement with another entity acceptable to TxDOT and willing and able to perform the functions of Escrow Agent hereunder and thereupon shall provide Escrow Agent with joint written instructions authorizing Escrow Agent to forward the Escrowed Materials to another escrow company and/or agent or other designated recipient. Escrow Agent shall transfer and dispose of the Escrowed Materials in accordance with any such joint written instruction. If Escrow Agent does not receive said joint written instructions within 90 days of the date of Escrow Agent's written termination notice, then Escrow Agent

shall have no obligation to take any action under this Agreement, except action to hold and safeguard the Escrowed Materials and transfer or dispose of Escrowed Materials following termination as provided in this Section 10.

(d) Upon termination of this Agreement, Escrow Agent shall destroy, return, or otherwise deliver the Escrowed Materials in accordance with Developer's and TxDOT's joint written instructions. If there are no such joint written instructions, Escrow Agent may, at its sole discretion, commence legal action interpleading Developer and TxDOT, deposit the Escrowed Materials with the court in such action and otherwise handle and dispose of the Escrowed Materials in accordance with court order. In no event shall Escrow Agent have the right to destroy the Escrowed Materials or return them to Developer absent joint written instructions to such effect or final order of a court of competent jurisdiction.

11. Disclaimer. Escrow Agent hereby disclaims and relinquishes any title to or ownership of Escrowed Materials deposited with Escrow Agent under this Agreement.

12. Fees. Developer shall pay all fees and expenses in connection with Escrow Agent's obligations under this Agreement, as set forth in Exhibit B [Annex 1 to Exhibit A] attached hereto.

13. Notices. Any communication, notice or demand of any kind whatsoever under this Agreement shall be in writing and delivered by personal service (including express or courier service), by electronic communication, whether by facsimile or electronic-mail (if confirmed in writing sent by registered or certified mail, postage prepaid, return receipt requested), or by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

## GUARANTY - FORM T

FOR VALUABLE CONSIDERATION, \_\_\_\_\_, a  
\_\_\_\_\_ corporation (“**Guarantor**”), agrees as follows:

1. The term “**Agreement**” refers to the Comprehensive Development Agreement for the North Tarrant Express Segments 2 through 4, dated \_\_\_\_\_, as amended, by and between the TEXAS DEPARTMENT OF TRANSPORTATION, a public agency of the State of Texas (“**TxDOT**”), and \_\_\_\_\_, a \_\_\_\_\_ (“**Principal**”). The Agreement is hereby incorporated by reference herein. Exhibit A to the Agreement contains the definitions of various terms used in this Guaranty.

2. The term “**Obligations**” refers to all of the obligations of Principal arising out of, in connection with, under or related to the Contract Documents as they may be amended or supplemented, including without limitation, liability for damages, indemnities and warranties as specified in the Agreement. The term “**Equity Owner**” means an entity or a firm that has a direct equity interest in the Principal or an indirect equity interest in the Principal through one or more limited liability intermediaries.

3. Guarantor irrevocably and unconditionally, as primary obligor and not merely as surety, guarantees and warrants to TxDOT and its successors and assigns the full and prompt payment and performance by Principal when due of the Obligations, which expressly excludes any obligations of Principal under Facility Agreements, up to the amount of \$\_\_\_\_\_. [*to be included if multiple guarantees are provided: Guarantor and \_\_\_\_\_ shall have joint and several liability for performance of the Obligations, provided that the total liability of Guarantor and such other entities shall not exceed the foregoing limitation on liability.*]

4. An Obligation may be incurred by Principal to TxDOT without further authorization from or notice to Guarantor.

5. In such manner and upon such terms and at such times as it deems best and with or without notice to Guarantor, TxDOT may alter, compromise, accelerate, extend or change the time or manner for the performance of any Obligation, or release or add one or more guarantors or endorsers, accept additional or substituted security, or release or subordinate any security given to secure the performance of any Obligation. No exercise or non-exercise by TxDOT of any rights given to it hereby, no dealing by TxDOT with Principal, any of Principal’s members or any entity with liability for the Obligations, and no change, retirement or suspension of any right or remedy of TxDOT, shall in any way affect any obligation of Guarantor hereunder or any security furnished by Guarantor or give Guarantor any recourse against TxDOT.

6. TxDOT may waive any default or may fail to assert any rights (including rights of offset), or grant any other indulgence or concession with respect to all or any part of each Obligation, and may take and deal as herein provided with any bond, letter of credit, guaranty, instrument, document, collateral security or other property given to TxDOT to secure all or any part of the Obligations or otherwise

available to TxDOT, and may apply any moneys, property or security available to it in such manner and amounts and at such times to the payment or reduction or performance of any Obligation as TxDOT may elect. Notwithstanding the foregoing, Guarantor shall remain bound by this Guaranty.

7. Guarantor waives any right to require that any claim or demand be asserted, any remedy available to TxDOT be enforced, or any action be brought against Principal, any of the Equity Owners or any other party or to require that resort be had to any security or property available to TxDOT.

8. This Guaranty shall not be affected by any full or partial payment or performance of any Obligation which is required to be returned as a result of or in connection with the insolvency, reorganization or bankruptcy of Principal or any of its members, the dissolution of Principal or otherwise. Guarantor agrees that TxDOT may, in the event of a default herein or in any Obligation, proceed against Guarantor or Principal or any other entity with liability for the Obligations or any combination of the foregoing, in such order as TxDOT may deem appropriate. Guarantor waives any defenses it may have by reason of an election of remedies by TxDOT. Guarantor waives any claims of waiver, release, surrender, alteration, compromise, diligence and filing of claims with any court, provided that the foregoing shall not be deemed to preclude Guarantor from relying on any waivers or modifications of Agreement requirements which were previously made by TxDOT during the course of performance of the Agreement. Notwithstanding anything to the contrary contained herein, no action of TxDOT by way of compromise or settlement, in the context of any insolvency, reorganization or bankruptcy of Principal or any of its members, the dissolution of Principal or otherwise, will have any effect on Guarantor's liability hereunder.

9. This Guaranty shall remain in full force and effect irrespective of any interruptions in the business relations of Principal with TxDOT. The failure by TxDOT to file or enforce a claim against the estate (either in administration, bankruptcy or other proceedings) of Principal or any other entity with liability for the Obligations shall not operate to release Guarantor from liability hereunder.

10. Guarantor waives:

(a) notice of acceptance hereof and of the incurring or contracting of any Obligation;

(b) presentment and demand for payment or performance of any Obligation;

(c) protest and notice of the dishonor or default to any party with respect to any Obligation;

(d) all other notices to which Guarantor might otherwise be entitled; and

(e) any demand for payment hereunder.

11. Until all Obligations have been indefeasibly paid in full and performed, Guarantor waives any claim, right or remedy which it may now have or may hereafter acquire against the Principal that arises from the performance of the Guarantor hereunder, including, without limitation, any claim, right or remedy of subrogation, reimbursement, exoneration, contribution or indemnification against Principal, or participation in any claim, right or remedy of TxDOT against Principal or any other security or collateral that TxDOT now has or hereafter acquires, whether or not such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise. All existing or future indebtedness of Principal and any Equity Owner to Guarantor, and the right of Guarantor to withdraw any capital invested by Guarantor in Developer (whether directly or through an intermediary Equity Owner), are unconditionally subordinated to all of the Obligations. Whenever and for so long as Principal shall be in default in the performance of an Obligation, Guarantor shall not claim, sue for, collect or accept any payment from Developer or any Equity Owner with respect to any such indebtedness without the prior written consent of TxDOT. Any payment by Principal or any Equity Owner to Guarantor in violation of this provision shall be deemed to have been received by Guarantor as trustee for TxDOT.

12. Guarantor agrees to pay to TxDOT without demand reasonable attorneys' fees and all costs and other expenses (including such fees and costs of litigation, including appeals) incurred by TxDOT in collecting or compromising any Obligation or enforcing this Guaranty against Guarantor or in attempting to do any or all of the foregoing.

13. Guarantor represents and warrants as follows:

(a) Guarantor is a \_\_\_\_\_ duly organized, validly existing and in good standing under the laws of \_\_\_\_\_, and Guarantor is duly qualified to transact business in each jurisdiction where the nature of its activities or the ownership of property makes such qualification necessary;

(b) Guarantor has full power and authority to transact the business in which it is engaged and to execute and deliver this Guaranty and perform its obligations hereunder;

(c) This Guaranty has been duly authorized, executed and delivered by Guarantor, and is a valid and binding agreement of Guarantor enforceable in accordance with the terms hereof;

(d) Neither the execution and delivery of this Guaranty, nor the fulfillment of or compliance with the terms and provisions hereof, will violate any law, regulation, order, writ, injunction or decree of any court or governmental instrumentality, or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any mortgage, lien or encumbrance of any nature whatsoever upon any of the properties or assets of Guarantor pursuant to the terms of, Guarantor's formation documents, or any mortgage, indenture, agreement or instrument to which Guarantor is a party or by which it is bound;

(e) No consent or action of, or filing with, any governmental or public regulatory body or authority is required to authorize, or is otherwise required in connection with, the valid execution, delivery and performance of this Guaranty; and

(f) Guarantor will not take any action which will cause Principal to dissolve.

14. This Guaranty is binding upon and inures to the benefit of the successors and assigns of Guarantor and TxDOT, but is not assignable by Guarantor without the prior written consent of TxDOT, which consent may be granted or withheld in TxDOT's sole discretion.

15. Any communication, notice or demand of any kind whatsoever under this Guaranty shall be in writing and delivered by personal service (including express or courier service), by facsimile (if confirmed in writing sent by registered or certified mail, postage prepaid, return receipt requested), or by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

All notices and other communications shall be deemed effective upon receipt, if delivered personally or by express or courier service, upon transmission as shown in the confirmation, if delivered by facsimile, and five days following deposit in the United States mail, postage prepaid if delivered by mail.

16. Any forbearance or failure to exercise, and any delay by TxDOT in exercising, any right, power or remedy hereunder will not impair any such right, power or remedy or be construed to be a waiver thereof, nor will it preclude the further exercise of any such right, power or remedy.

17. Should any one or more of the provisions of this Guaranty be determined to be illegal or unenforceable, all other provisions hereof shall be given effect separately therefrom and shall not be affected by such determination. The rights of TxDOT hereunder are cumulative and shall not be exhausted by any one or more exercises of said rights against Guarantor or any other entity with liability for the Obligations or by any number of successive actions until and unless all Obligations have been fully paid or performed and expiration or termination of the Agreement. ## REVENUE PAYMENT TABLES– FORM U – BASE SCOPE PROPOSAL

**TABLE 1:**

Band	Band Floor	Band Ceiling*	Revenue Payment
1	0	Cumulative Toll Revenues (15.0%)	0%
2	Band 1 Ceiling + \$0.01	Cumulative Toll Revenues (18.0%)	12.5%
3	Band 2 Ceiling + \$0.01	Cumulative Toll Revenues (21.0%)	25.0%
4	Band 3 Ceiling + \$0.01	Cumulative Toll Revenues (23.0%)	50.0%
5	Band 4 Ceiling + \$0.01	N/A	75.0%

\*“Cumulative Toll Revenues (X%)” means the level of toll revenues forecasted to be received to date which is representative of a blended, nominal, after-tax internal rate of return over the full Term (excluding potential extensions of the Term) of X% for equity, as calculated in Base Scope Financial Model. Table 2 will be included in the executed Concession CDA as subsequently revised by the two parties and subject to the Financial Model Audit.

The middle two columns of Table 1 are only intended to guide Proposers in how to complete the table on the following pages; they will be removed from the table that will rest in the final version of the document.

Proposers shall factor in the amount of revenue payment payable to TxDOT in defining the thresholds in the following table.

To the extent the different return percentages driving the ceiling revenues per the above definition are not equal to the Proposer’s blended, nominal, after-tax equity internal rate of return, the Proposer shall multiply its base case revenues by a constant coefficient, and hold all other variables constant except for dividends, to target the relevant return level per the above table. In doing so, to the extent that the Segment 1 Capacity Improvement and/or the Segment 2 Capacity Improvement are not included in the Base Scope Proposal, the Proposer is to assume that these two Mandatory Capacity Improvements are triggered 18 months prior to December 31, 2030 and that the improvements are open for normal operation on December 31, 2030.

TxDOT will, as part of its evaluation, check that the toll revenue amounts Proposers provide in the following table generate the appropriate return levels as per the above table.
