

TEXAS TRANSPORTATION COMMISSION

Bell and Coryell Counties

MINUTE ORDER

Page 1 of 1

Waco District

The Texas Department of Transportation (department) proposes to designate a 25-mile segment of the state highway system as Interstate 14 (I-14), concurrent with US 190 from the eastern junction of US 190 and Business US 190E in Copperas Cove to I-35 in Belton.

Minute Order 114556, dated April 28, 2016, authorized the submission of an application to the American Association of State Highway and Transportation Officials (AASHTO) requesting this segment of US 190 be added to the Interstate Highway System as I-14. On August 8, 2016, the AASHTO Special Committee on US Route Numbering approved the application for the I-14 segment described above.

The Administrator of the Federal Highway Administration approved the inclusion of this segment of I-14 on the Interstate Highway System on December 19, 2016.

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the executive director of the department has recommended this action. The Killeen-Temple Metropolitan Planning Organization also recommended concurrent designation of I-14 with US 190.

The Texas Transportation Commission (commission) finds that this action will facilitate the flow of traffic, promote public safety, and maintain continuity of the state highway system and is necessary for the proper development and operation of the system.

IT IS THEREFORE ORDERED by the commission that I-14 is designated on the state highway system concurrent with US 190 from the eastern junction of US 190 and Business US 190E in Copperas Cove to I-35 in Belton, a total distance of 25 miles, as shown in Exhibit A.
