All submissions must be original works from the artist. Works must be owned and in the possession of the artist at the time of submission and throughout the duration of the contest. Submission of reproductions or pieces owned by a third party shall be disqualified from the contest. Photographic works are not eligible for consideration in the contest. Copyright Protection

Under United States law, the author of a book, the artist who creates a painting or the creator of any other work, is protected by copyright law so that others cannot use those works without the creator's permission. Entrants must be certain not to use the work of others. An entry that uses a work that is covered by copyright without first obtaining a release will cause the entry to be disqualified from the contest.

Deadlines:

All entries must be received at the Port Aransas Ferry Operations office, 619 W. Cotter Ave., Port Aransas, Texas 78373 (Attention: Ferry Art Contest 2017). Entries may also be dropped off at the Port Aransas Ferry Operations by *5 p.m. Central Standard Time on March 31, 2017*. Entries postmarked by the deadline, but physically received after the entry deadline, but before judging, are eligible for consideration. Entries postmarked after the entry deadline shall be ineligible for consideration and will be returned immediately to the submitting artist.

Contest Judging:

TxDOT reserves the right to determine whether entries are not accepted or disqualified. For the purposes of this contest, “not accepted” shall be defined as an invalid entry that the Entrant must correct to be considered valid, such as missing application information. “Disqualified” shall be defined as an entry that fails to meet the contest criteria described above. Disqualified entrants are not eligible to re-enter the contest. TxDOT will select a panel of judges (Judges) to review, evaluate and score the original artworks in each category. Each Judge will independently evaluate and score each entry and the sum of all scores will be tallied by TxDOT. In the event of a tie, a TxDOT jury will make an executive decision.

Judging Criteria

All projects will be judged based on: Relevance, Creativity, and Overall impression. Up to 50 points total (Relevance 25 pts., Creativity 15 pts., Overall Impression 10 pts.).

A TxDOT jury will consider the scores of the Judges and make the final decision of selected pieces to be displayed on the ferry towers.

Criteria:

1. Relevance refers to the degree of relevance the artwork has to the ferry boats, the ferry system, the Port Aransas community, the area or region, and environment.
2. Creativity refers to the originality of the design, the use of color, light, materials, styles, artistic techniques, and artistic interpretations.
3. Overall impression addresses the project as a whole, and is often based on the first glimpse of the finished piece. Without regard to the other criterion, does it stand on its own as a good and complete work of art?
