

AUSTIN AVENUE BRIDGES PROJECT

The City of Georgetown, in cooperation with the Texas Department of Transportation, has identified proposed improvements for Austin Avenue from Morrow to 2nd Streets including two bridges crossing the North and South Forks of the San Gabriel River.

PROPOSED IMPROVEMENTS

- Rehabilitate the existing bridges and maintain the railings
- Construct a new pedestrian bridge to the east
- Construct a 10-foot sidewalk on the east side of Austin Avenue and 6-foot sidewalk on the west side of Austin Avenue at the San Gabriel Village Boulevard and 2nd Street intersections

The City of Georgetown takes every reasonable effort to accommodate the needs of the public. The open house will be in English, if you have a special communication accommodation or need for an interpreter, a request can be made. If you have a disability and need assistance, special arrangements can also be made to accommodate most needs. Please call (512) 930-2544 at least two working days prior to the meeting. Please be aware that advance notice is requested as some accommodations may require time for the City to arrange.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
