

Notice of Public Meeting

The City of San Marcos, in conjunction with the Texas Department of Transportation, will hold a public meeting regarding the proposed improvements to Hopkins Street, from Bishop Street to Moore Street in San Marcos, Texas. The meeting will be held on Tuesday, July 24, 2018 at Dunbar Recreation Center, 801 Martin Luther King Drive, San Marcos, TX 78666. The meeting will be held in an open house format from 6 p.m. to 7:30 p.m.

The project, which occurs within the Hopkins Street Local Historic District, would address the street, sidewalks, utilities, and drainage from Moore Street to Bishop Street. Traffic calming and project aesthetics will also be discussed. City Engineers and Freese & Nichols, Inc., the firm consulting on the project, will be on hand to take comments and answer questions. The meeting will be an opportunity for the public to receive an update on the project, as well as information regarding the effects of the project on the historic district and historically significant properties. The public will have an opportunity to consult on this project as part of Section 106 of the National Historic Preservation Act. Exhibits of the design elements and project scope will be available for viewing at the meeting.

All interested citizens are invited to attend this public meeting. Written comments from the public regarding this project are requested and may be submitted for a period of 15 business days following the meeting. Written comments may be submitted either in person or by mail to the City of San Marcos CIP/Engineering Department, 630 E. Hopkins, San Marcos, Texas 78666, or emailed to EngInfo@sanmarcostx.gov. Written comments must be received by Aug. 14, 2018, to be included in the public meeting summary.

The public meeting will be conducted in English; however, Spanish meeting materials and Spanish-speaking City staff will be available. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact the City of San Marcos CIP/Engineering Department at (512) 393-8130. Requests should be made at least two days prior to the public meeting. Every reasonable effort will be made to accommodate these needs. If you have general questions or concerns regarding the proposed project, you may contact City CIP/Engineering Department at (512) 393-8130.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
