

## Notice of Virtual Public Meeting Texas Department of Transportation 2025 – 2028 Rural Transportation Improvement Program Beaumont District

The Texas Department of Transportation (TxDOT) – Beaumont District will conduct an online virtual public meeting for the 2025 – 2028 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on which transportation projects may be coming to your area. The Beaumont District includes Chambers, Hardin, Jasper, Jefferson, Liberty, Newton, Orange, and Tyler Counties. Of these, only Newton and Tyler Counties are within the boundaries of the Rural TIP. This Rural TIP includes all added capacity and regionally significant projects to be funded within these counties during the next four years, including those eligible for federal funding. As such, this meeting offers the public an opportunity to review and comment on the proposed priorities. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

To participate in the virtual public meeting and learn more about projects in Newton and Tyler Counties, please participate during the comment period indicated below:
