

**NOTICE OF PUBLIC MEETING
United States Highway (US) 380
From Airport Drive to County Road (CR) 458
CSJs: 0135-03-046, 0135-04-033
Collin County, Texas**

The Texas Department of Transportation (TxDOT) will conduct a public meeting for the purpose of soliciting comments on proposed improvements to US 380 from Airport Drive to CR 458 in Collin County, Texas, a distance of approximately 7 miles. **The meeting will be held on Thursday, October 25, 2018 from 6:00 pm to 8:00 pm at Princeton High School Cafeteria, located at 1000 E. Princeton Drive, Princeton, TX 75407.** Representatives from TxDOT and project consultants will be available to answer questions about the proposed project. The meeting will be held in an open house format with no formal presentation.

The existing US 380 facility consists of two 11-foot lanes in each direction with 15-foot raised median, 12-foot left turn lanes, and 10-foot outside shoulders. The existing right-of-way (ROW) width varies from 60 feet to 90 feet wide. The US 380 proposed improvements would include widening the current four-lane roadway facility to a six-lane divided urban facility with a raised median and new curb and gutters. No additional right-of-way is anticipated at this time.

The proposed facility would be 7.2 miles long and would consist of two 12-foot wide travel lanes and one 14-foot shared-use travel lane in each direction with two-foot offsets from the inside and outside curbs and a 5-foot sidewalk along each side of the facility. Right turn lanes (12-foot wide) would be provided as warranted by traffic analysis. The facility consists of three bridges that would be widened to two 12-foot travel lanes and one 14-foot travel lane in each direction with raised median that varies from 5-foot to 14-foot, 10-foot outside shoulder in each direction, 6-foot sidewalk in each direction separated from travel lanes by concrete traffic barrier and containing pedestrian rail on outside.

Maps depicting the proposed project's location and preliminary geometric design will be available for viewing at the public meeting. This information is also available for public inspection at the TxDOT Dallas District Office, 4777 East Highway 80, Mesquite, Texas 75150. This information will also be available online at www.keepitmovingdallas.com under "Upcoming Public Hearing/Meeting".

All interested citizens are invited to attend the public meeting. Written comments from the public regarding this project are requested and will be accepted for a period of 15 calendar days following the public meeting. Written comments may be submitted either in person at the public meeting; by mail to the TxDOT Dallas District Office, Attention Mr. Charles Tapp, P.E., 4777 East Highway 80, Mesquite, Texas 75150; or emailed to Charles.tapp@txdot.gov. **Written comments must be postmarked on or before Friday November 9, 2018 to be included in the documentation of the public meeting.**

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact the TxDOT Dallas District Public Information Office at (214) 320-4480 at least two working days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs. If you have general questions or concerns regarding the proposed project, you may contact the TxDOT project manager, Mr. Charles Tapp, P.E. via phone (214) 320-6252 or email Charles.tapp@txdot.gov.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
