BORDER HIGHWAY EAST CORRIDOR STUDY
From Loop 375 (Americas Ave) to FM 3380 (M.F. Aguilera Rd)

CSJ: 0924-06-090
El Paso County, Texas

The Texas Department of Transportation (TxDOT) El Paso District has initiated the Border Highway East Corridor Study, which seeks to find a unified vision around improving mobility in the study area. The study area is an 18-mile-long corridor that extends from Loop 375 (Americas Avenue) in El Paso, Texas to FM 3380 (M.F. Aguilera Road) near Tornillo, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting about the study with two in-person options.

For individuals who would like to participate in person, TxDOT is providing two in-person meeting options. In-person attendees will be able to view hardcopies of study materials such as exhibit boards and conceptual layouts, talk to TxDOT staff and submit written comments. **The first in-person meeting will be held Wednesday, May 1, 2024, from 5 to 7 p.m. at Clint High School, 13890 Alameda Ave, Clint, Tx 79836. The second in-person meeting will be held Thursday, May 2, 2024, from 5 to 7 p.m. at Western Tech College, 2nd floor, 9624 Plaza Cir, El Paso, Tx 79927.**

The Border Highway East Corridor Study analyzes the benefits and challenges of improving mobility in the study area. As part of the corridor study, TxDOT El Paso District staff have met with key stakeholders, including elected officials and leaders of agencies. The corridor study has several goals, among them is to alleviate traffic congestion and improve mobility safety. The study is an early planning effort, meaning, no tangible project has been identified, no funding is in hand, and no affects to property can be definitively determined at this time.
