

YOU'RE INVITED!

I-20 Arlington/Grand Prairie Corridor Study Virtual Public Meeting with In-Person Option

I-20 from US 287 to east of South Carrier Parkway

Project Overview

The I-20 Arlington/Grand Prairie Corridor Study limits are within the cities of Arlington and Grand Prairie in Tarrant and Dallas counties. The study will evaluate connectivity and through traffic movements with the adjacent transportation network. The study will evaluate potentially adding capacity to the interstate through additional mainlanes and express lanes. Additional proposed improvements would include continuous frontage roads with bicycle and pedestrian accommodations; ramping improvements with auxiliary lanes; and reconstruction of interchanges and intersections.
