

Notice of Virtual Public Meeting with In-Person Option Texas Department of Transportation 2025 – 2028 Rural Transportation Improvement Program Fort Worth District

The Texas Department of Transportation (TxDOT) – Fort Worth will conduct an online virtual public meeting with in-person meeting options for the 2025 – 2028 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on which transportation projects may be coming to your area. The Fort Worth District includes Erath, Jack, Palo Pinto and Somervell counties. The Rural TIP includes all added capacity and regionally significant projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding. As such, this meeting offers the public an opportunity to review and comment on the proposed priorities. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).
