

SH 199 Ramp Project

Tarrant County, Texas
 CSJ: 0171-04-084

Project Overview

The proposed project would construct a northbound exit ramp between Denver Trail and Skylark Drive to provide immediate access to the Texas Health Harris Methodist Hospital from SH 199. The proposed project will include improvements to the SH 199 main lanes and frontage roads necessary to accommodate the proposed ramp (e.g., deceleration lanes). The goal of this project is to increase safety, enhance mobility, and improve access to the regional hospital.

Project Purpose & Need

This project aims to improve mobility and enhance safety by reducing conflicts through the addition of a new exit ramp providing direct access to the Texas Health Hospital from SH 199.
