Contact: Reference the following

US 290 from FM 1371 to SH 6

Where: The pre-recorded video presentation (in English and Spanish) will be posted here.

When: The pre-recorded presentation will be posted on this page on **Tuesday, July 21, 2020 at 5:30 pm.**

Purpose: The purpose of the virtual public meeting is to present the proposed project to the public and receive comments. The project extends a total of 10 miles along US 290 from FM 1371 in Washington County to SH 6 in Waller County. The virtual meeting will consist of a pre-recorded presentation by the project team, project exhibits and other information, and an opportunity to comment. Comments must be received on or before **Wednesday, August 5, 2020**, to be a part of the official meeting record.

Description: The proposed improvements for US 290 include:

- Widening US 290 from a four-lane divided roadway to a six-lane divided roadway
- Adding shoulders that will be 12 feet wide both on the inside and outside

The project would take place within the existing right-of-way on US 290. An additional 13.80 acres of right-of-way (ROW) would be needed for proposed detention ponds. No displacements are anticipated.

Special Accommodations: TxDOT makes every reasonable effort to accommodate the needs of the public. The virtual public meeting materials and exhibits will be in English. The virtual meeting presentation will be in English with Spanish subtitles. If you have a special communication accommodation or need for an interpreter, a request can be made. If you have a disability and need assistance, special arrangements can also be made to accommodate those needs. Please call TxDOT's Public Information Office at (713) 802-5076 no later than Friday, July 17, 2020, to request special accommodations. Please be aware that advance notice is requested as some accommodations may require time for TxDOT to arrange.

Memorandum of Understanding: The environmental review, consultation, and other actions required by applicable Federal environmental law for this project are being or have been carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
