LAREDO DISTRICT

2025 – 2028 Rural TIP

## Rural Transportation Improvement Program (TIP)

### THE RURAL TIP

includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of MPO boundary, and within a TxDOT district during the next four years, including those eligible for federal funding.

It can include projects for :

**A Rural TIP project is anticipated to be funded within the next 4 years.**

**It shows regional agreement (community-region-state) on the need of a project.**

## How the Rural TIP Impacts You

The Rural TIP process includes opportunities to provide input on the priority of major projects that are listed on it.

Local and small projects around your community dealing with safety and access also get funding through the Rural TIP, for example:

- Road expansions
- Sidewalks
- Bike lanes
- Pavement repair or maintenance
- New or improved signals
- Turning lanes

**By participating today, you are providing input in [number of projects included in this Rural TIP] projects!**

**You know  
your  
community  
best!**

Tell us what  
project  
should come  
first and why

## How Projects are Selected for the Rural TIP

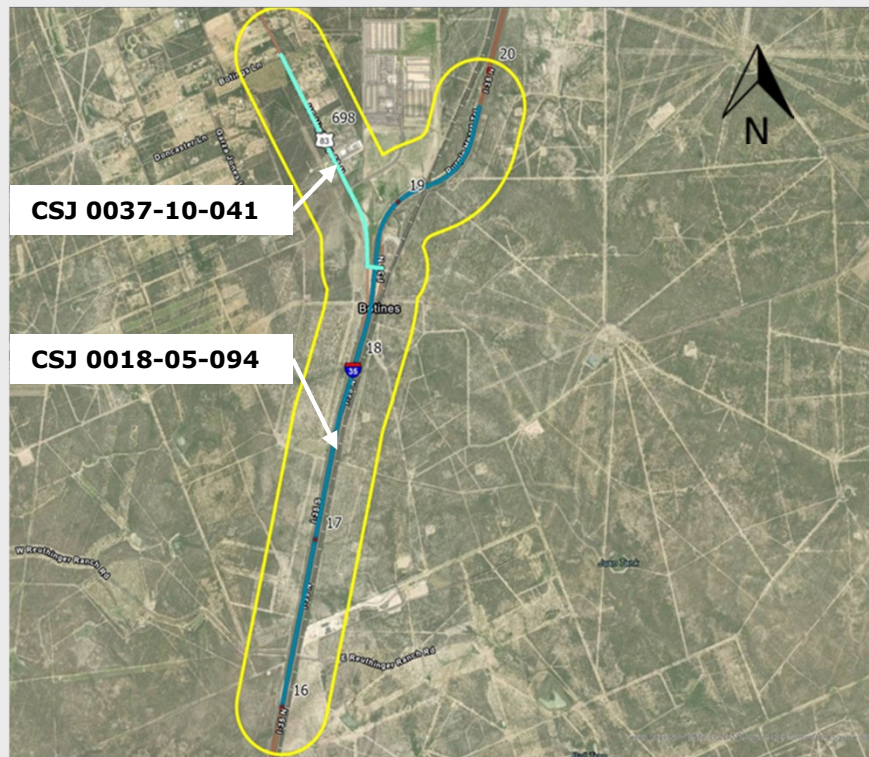

Projects are identified and selected by evaluating existing and future needs based on:

current conditions and projections, statewide and regional plans, public input regarding transportation priorities

^ This would be you, right now!
