

# FM 1423 (VAL VERDE ROAD), CSJ 1427-01-032

Proposed improvements: four- to six-lane major connector with medians and left-turn lanes, sidewalks and shared-use paths, and installation of concrete curbs and gutters along some sections of the roadway for stormwater drainage.

## Project Overview

### Location & Length

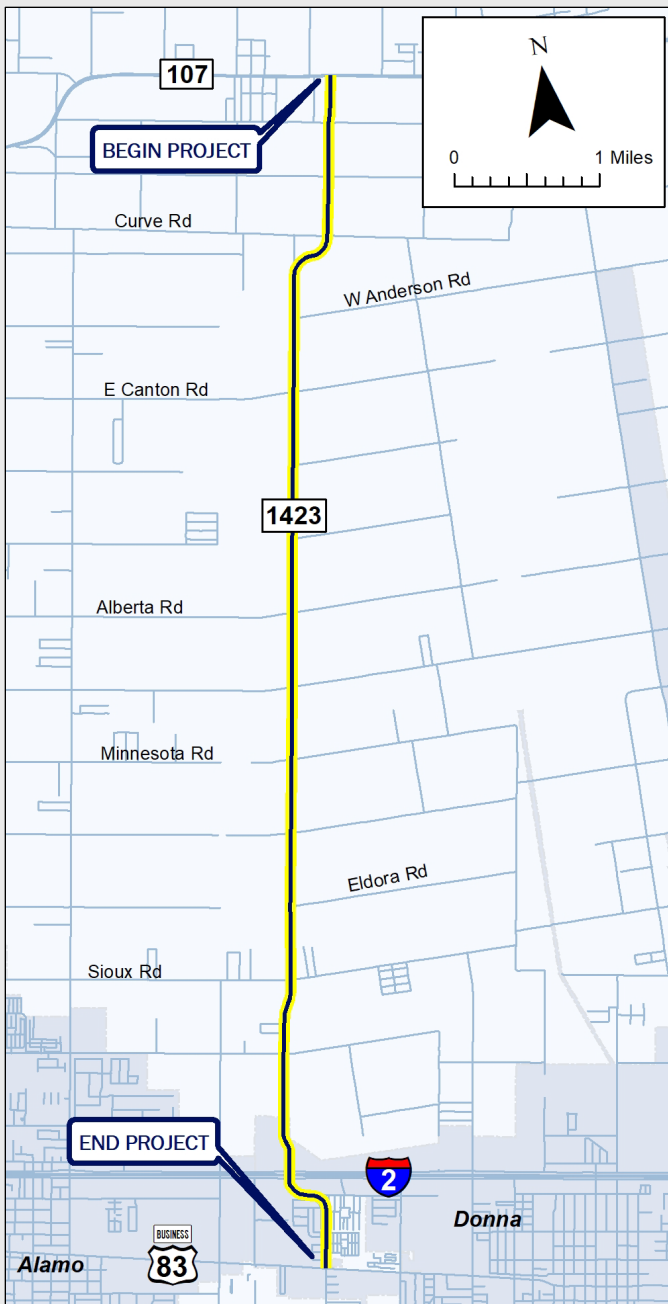

From SH 107 to Business 83 in Hidalgo County, Texas. Approximately 8.4 miles.

### Project's Need

FM 1423 between SH 107 and Business 83 is experiencing growth and an associated increase in traffic congestion, resulting in reduced mobility.

### Project's Purpose

To improve mobility, safety and increase operational efficiency on FM 1423 within the project limits.

## Estimated Project Milestones

February 2023 – Public meeting

Spring/Summer 2023 – Draft 90% schematic, environmental studies, begin affected property owner meetings

Fall 2023 – Complete environmental reports

Winter 2024 – Draft environmental assessment approved for circulation

Winter 2024 – Public hearing
