Notice and Opportunity to Comment
MILE 1 WEST RD BRIDGE REPLACEMENT
Mile 1 West Rd. at Main Supply Channel
CSJs: 0921-02-492
HIDALGO County, Texas

The Texas Department of Transportation (TxDOT) is proposing to replace Mile 1 West Rd Bridge located on Mile 1 West Rd., at Hidalgo and Cameron County Irrigation District NO. 9 Main Supply Channel in Hidalgo County, Texas. This notice is affording an opportunity to comment as part of the environmental review process for this project. You are receiving this notice because records indicate that you own property that would be acquired (in part or in whole) for this project.

The proposed project consists of an off-system bridge replacement and re-construction of the bridge approaches on Mile 1 W Rd (CR 331) in Hidalgo County that span approximately 90ft across the Hidalgo & Cameron County Irrigation District NO. 9 Main Supply Canal. The proposed bridge consists of two twelve-foot travel lanes, one in each direction, with five-foot shoulders. The proposed bridge will span the supply canal with an overall bridge length of 100 feet. The proposed project would require approximately 0.19 acres of new ROW and a 0.11 Temporary Easement for maintenance access roads.

Although additional right of way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and construction timeline, please call Salvador Aranda, P.E., Engineering Project Manager, at 956-354-1847.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Pharr District Office, 600 W. Interstate 2, Pharr, TX 78577, please call prior to schedule an appointment. Project materials are also available online at www.TxDOT.gov, keyword search "Mile 1 Road Bridge Replacement".

The project materials are written in English. If you need an interpreter or document translator because English is not your primary language or have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or are a person with a disability who requires an accommodation to review the project materials or submit information, please contact Norma Robledo, Public Involvement Specialist, TxDOT Pharr District Office at 956-702-6161 no later than 4 p.m. CT, at least three business days before the date on which you would like to review the project materials or submit information. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.
