## Notice and Opportunity to Comment

### MILE 17 ½ NORTH RD BRIDGE REPLACEMENT

#### Mile 17 ½ North Rd. at North Main Drainage Ditch

CSJs: 0921-02-513

#### HIDALGO County, Texas

The Texas Department of Transportation (TxDOT) is proposing to replace Mile 17 ½ North Rd. Bridge located on Mile 17 ½ North Rd., at Main Drainage Ditch in Hidalgo County, Texas. This notice is affording an opportunity to comment as part of the environmental review process for this project. You are receiving this notice because records indicate that you own property that would be acquired (in part or in whole) for this project.

The proposed project consists of an off-system bridge replacement and re-construction of the bridge approaches on Mile 17 1/2 North Road in Hidalgo County that span approximately 50ft across the Hidalgo & Cameron County Irrigation District NO. 9 at Main Drainage Ditch #1 located 0.75 mile west of Farm to Market (FM) 491. The scope of work will occur within the existing ROW and require approximately 0.23 acres of new ROW and no easements. The proposed bridge consists of two twelve-foot travel lanes, one in each direction, with three-foot shoulders. The proposed bridge will span the Main Drainage Ditch #1 with an overall bridge length of 55 feet. The proposed project would require approximately 0.23 acres of new ROW and no easements.

Although additional right of way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and construction timeline, please call Salvador Aranda, P.E., Engineering Project Manager, at 956-354-1847.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Pharr District Office, 600 W. Interstate 2, Pharr, TX 78577, please call prior to schedule an appointment. Project materials are also available online at [www.TxDOT.gov](http://www.TxDOT.gov), keyword search "Mile 17 ½ Road Bridge Replacement".

The project materials are written in English. If you need an interpreter or document translator because English is not your primary language or have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or are a person with a disability who requires an accommodation to review the project materials or submit information, please contact Norma Robledo, Public Involvement Specialist, TxDOT Pharr District Office at 956-702-6161 no later than 4 p.m. CT, at least three business days before the date on which you would like to review the project materials or submit information. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.
