

Notice of Virtual Public Meeting

Texas Department of Transportation - Pharr District

November Revision of the 2025 – 2028 Rural Transportation Improvement Program

The Texas Department of Transportation (TxDOT) – Pharr District will conduct an online virtual public meeting for the November Revision of the 2025 – 2028 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on which transportation projects may be coming to your area. The Pharr District includes Zapata County. The Rural TIP includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of the Metropolitan Planning Organization (MPO) boundary, and within a TxDOT District during the next four years, including those eligible for federal funding. As such, this virtual meeting offers the public an opportunity to review and comment on the proposed priorities. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

You are encouraged to participate in the virtual public meeting and learn more about projects in the Pharr District:
