District Boundaries

PHARR DISTRICT

Rural Transportation Improvement Program (TIP)

THE RURAL TIP

includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of Metropolitan Planning Organization (MPO) boundary, and within a TxDOT district during the next four years, including those eligible for federal funding.

It can include projects for :

A Rural TIP project is anticipated to be funded within the next 4 years.

It shows regional agreement (community-region-state) on the need of a project.

How the Rural TIP Impacts You

The Rural TIP process includes opportunities to provide input on the priority of major projects that are listed on it.

Local and small projects around your community dealing with safety and access also get funding through the Rural TIP, for example:

- Road expansions
- Sidewalks
- Bike lanes
- Pavement repair or maintenance
- New or improved signals
- Turning lanes

By participating today, you are providing input in the project in Zapata County!

How Projects are Selected for the Rural TIP

Projects are identified and selected by evaluating existing and future needs based on:

current conditions and projections, statewide and regional plans, public input regarding transportation priorities

^ This would be you, right now!

Funding

The Rural TIP is a fiscally constrained list of projects that functions as a budgeting tool for our district.

Funds can come from:

- **Federal Government**
 - **Majority through** the Federal Highway and Transit Administrations
- **State**
 - **Majority through TxDOT's** Unified Transportation Program funding categories
- **Region**
- **Local**
