

I-35 Aesthetics Plan from Rundberg Lane to Woodland Avenue

Mobility35 is developing an aesthetics plan for I-35 from south of Rundberg Lane to south of Woodland Avenue. The plan will include guidelines for aesthetic treatments.

Why is this plan needed?

This plan is needed in order to promote a cohesive approach for the aesthetic treatments within the project area.

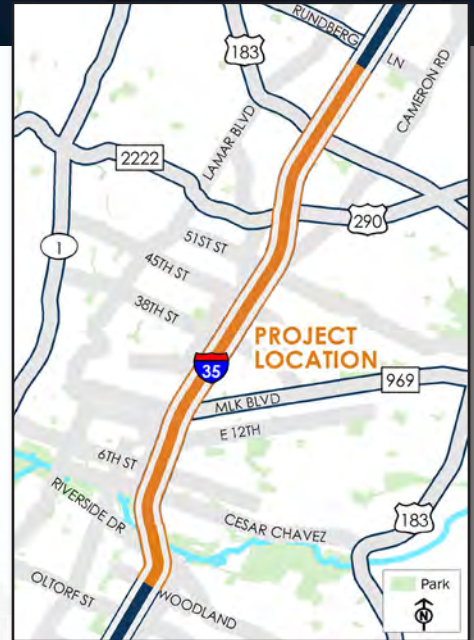

What is the project purpose?

The purpose of the project is to provide opportunity for citizen input on the aesthetic design of future I-35 improvements.

Details and timeline

Anticipated plan completion: Fall 2016

Plan implementation will be on-going, implemented for various individual projects as part of construction.
