

Oak Hill Parkway Project

Texas Transportation Commission

Summary of Commission Actions:

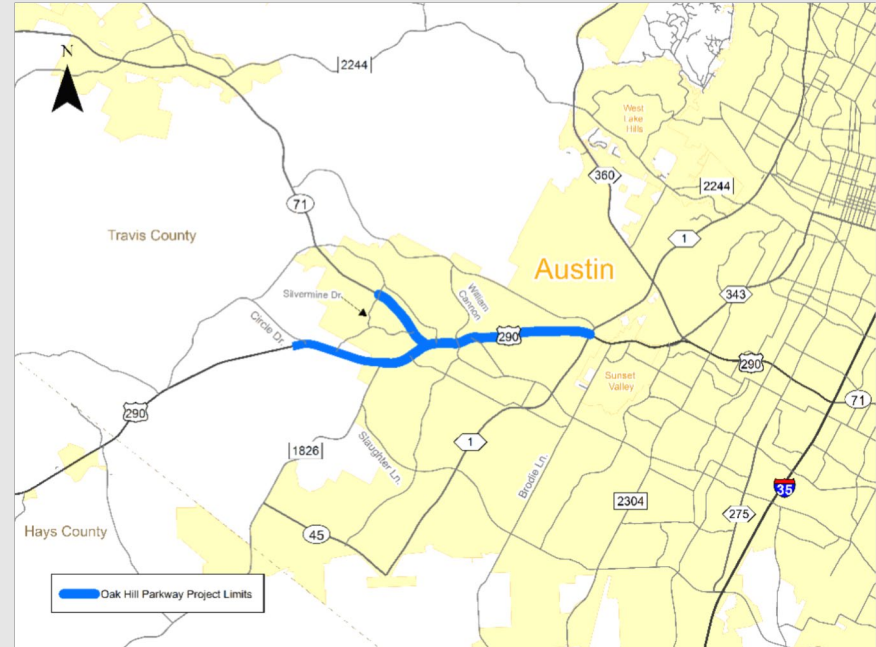

- Authorize the **conditional award** to the best value proposer for the design-build contract (DBC) for the Oak Hill Parkway Project in Travis County.
- Authorize TxDOT to commence and complete negotiations with the best value proposer and to modify the DBC, as necessary, as a result of such negotiations in preparation for the execution and delivery of the DBC.
- Authorize TxDOT, in the event that the negotiations with the selected proposer cannot be successfully completed, to commence negotiations with the next proposer in the order of the selection ranking.

Design-build scope

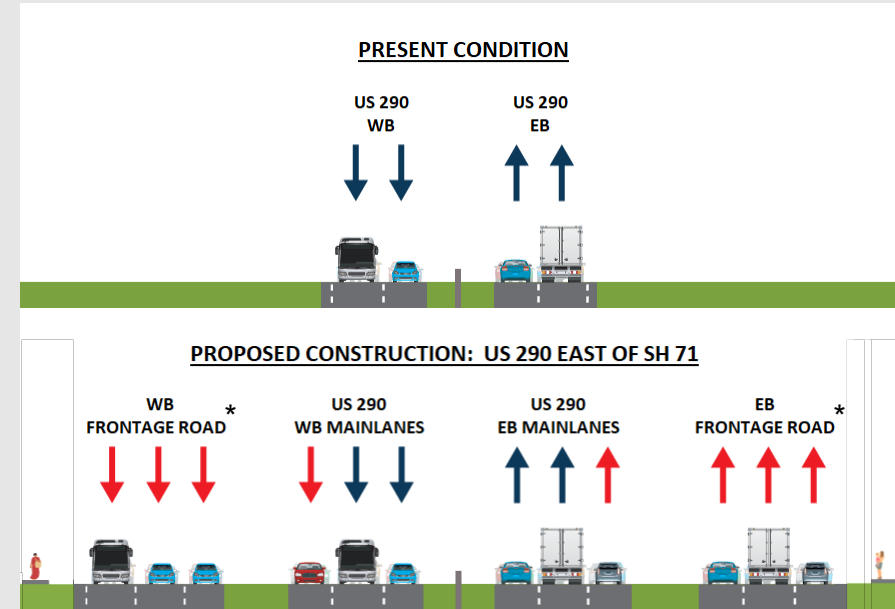

- Ranks #29 on the 2019 Top 100 Most Congested Roadways in Texas*
- Project limits:
 - Along US 290 from just east of Circle Dr. to Loop 1
 - Along SH 71 from US 290 to Silvermine Dr.
- Project purpose:
 - Improve mobility and operational efficiency
